- 2.At any given show, the Show Rules Committee shall have authority over the interpretation and application of the show rules.
- 3.Complaints arising out of alleged violations of the show rules may be lodged with the Chair of the Show Rules Committee at any time during the day of the show. CHILDREN'S & SENIOR HANDLING RULES

(The term "Dog" applies to both sexes unless otherwise specified.)

- 1.All exhibitors are expected to practice good sportsmanship inside and outside the show ring. Where applicable CKCSC, USA, Show Rules will be followed.
- 2.Only dogs individually registered in the CKCSC, USA, Stud Book or dogs with Performance Events Numbers (PEN's) may be entered.
- 3.Anyone not entered in either handling competition at the time the catalog is published may sign up with the current Table Steward by the end of the current competition (Puppy Sweepstakes or Best In Show) to participate in the next

Chair of the Show Rules Committee who must investigate promptly and report the matter in writing to the Secretary of the CKCSC, USA. If there is another competition during the weekend, the Show Rules Chair, Ring Steward, and Judge for that competition must be advised of the infraction. If there is a second violation on the same day or weekend, the exhibitor and collaborator are expelled from the show room for the rest of the competition.

19. A ring steward shall not handle a dog under a judge for whom s/he is stewarding.
20. Should an entered bitch be in-season on the day(s) of the show, the owner may have the entry fee refunded upon written request to the President of the show-giving club, stating the reason the bitch was not exhibited, and handed in or postmarked not more than a week following the show.
21. It is the responsibility of the exhibitor to have his/her dog at ringside for each competition for which the dog is eligible, whether or not it is called to the ring. The stewards will try to have all eligible dogs called to the ring for all competitions; however, if the exhibitor has any questions about whether his/her dog should be in the ring for any given competition, s/he should ask a steward and not wait to be called. In no case shall the show-giving club or its stewards be held responsible for the absence of any dog from any competition for which it is eligible.
22. The display for sale or sale of Cavaliers is prohibited within one mile of the show ring.
23. Owners must keep all puppies under 4 months of age in their rooms except for brief on-lead exercise periods outside.
24. Show entries and all supporting documents are considered club records.
25. Should an entered dog receive a registration restriction for DNA reasons before the closing date of the show, the owner will have the entry fee refunded upon written request to the President of the show-giving club stating the reason the dog was withdrawn and handed in or postmarked not more than one week following the show.

II. Dogs

1. Only dogs individually registered in the CKCSC, USA, Stud Book may be entered in Official or Unofficial Conformation Classes at CKCSC, USA, or CKCSC regional championship shows.
2. Dogs individually registered in the CKCSC, USA, Stud Book and those with Performance Events Numbers (PEN's) may be entered in Children's Handling, Performance Events and in any classes at Fun Matches.
3. No in-season bitch shall be exhibited (see Section I, Rule 20) except in the National Specialty, Trudy Brown Memorial Rally, National Specialty Puppy Sweepstakes, and Puppy of the Year competitions. The exhibitor must inform the Judge when showing an in-season bitch. When permitted to compete, in-season bitches must be kenneled in the hotel room or in a separate kennel area when they are not in the ring or getting ready to enter the ring as the next class. Otherwise, no in-season bitch shall be permitted in the show room or adjacent areas. In-season bitches must be exercised in a separate area.
4. Practicing in the rings, outside of scheduled events, is not allowed at any time during the show weekend.
5. No unentered dog shall be allowed in the rings on the day(s) of the show except during scheduled events.
6. With the exception of neutered dogs and spayed bitches, no dog whose appearance or movement has been altered by artificial means, surgical or otherwise, except as allowed by the Code of Ethics, shall be exhibited at a CKCSC, USA, or CKCSC regional championship show.
7. Eligibility for classes qualified by age, including Children's Handling, shall be determined as of the date of the show. Age is determined by the numerical day of the month in which the dog or child is born (i.e. - a dog born on January 10th is 5 months old on June 10th; a child born on July 10, 1990 is 6 years old on July 10, 1996). When a dog is born on the 30th or 31st of a month, should its 5, 9, 12 or 18 month birthday occur in a month with fewer than 30 or 31 days, its 5, 9, 12 or 18 month eligibility date shall be the last day of that month.
8. Eligibility for classes qualified by wins shall be determined as of the closing date of entries for that show.
9. All winners of Official Conformation Classes MUST compete for Winners Dog or Winners Bitch or be disqualified and lose all points earned at that show. Should either Winners Dog or Winners Bitch be absent from Best In Show competition, the other dog wins Best In Show by default. In this instance, Reserve Best In Show and Best Opposite Sex shall not be awarded.
10. Any dog shall be removed from the ring for aggression of any kind, whether it be towards a judge, dog, steward or other exhibitor, for the remainder of the show weekend and shall not thereafter be permitted to be shown until further action by the CKCSC, USA, Board. Any such incident must be immediately reported by the judge or ring steward to the Chair of the Show Rules Committee who shall promptly investigate and report the matter in writing to the Secretary of the CKCSC, USA.
11. All dogs must be crated when not under the supervision of a wide awake, responsible adult and must never be allowed to eliminate inside. All dogs must be lead trained and exercised outside. Violators will be severely penalized.
12. Dogs with registration restrictions for DNA reasons can be entered during the investigation period. Once the grace period is over and a restriction based on DNA is effective, the dog cannot enter unless and until the restriction is lifted prior to the closing date for a given show. If a restriction becomes effective after the closing date, the dog may remain entered in the show.

III. Host Club

1. An Official Conformation Class is a class which, if the entry justifies, earns championship points for the winner.
2. All Official Conformation Classes, as stipulated in the accompanying Definition of Classes, must be offered at every CKCSC, USA, or CKCSC regional championship show.

WEATHER: For those of you not familiar with the Carmel area, you should pack a sweater and a jacket. In Carmel, it is always wise to "layer". It can be hot, and then the fog rolls in and it really cools down. Carmel Valley is usually warmer than Carmel By The Beach.

I. Owners/Exhibitors

1. All exhibitors are expected to practice good sportsmanship inside and outside the show ring.
2. There shall be no abusive training on the show grounds or premises during the show weekend. The Show Rules Committee shall be responsible for enforcing this rule and shall investigate any reports of infractions.
3. Each member agrees, by entering a dog in a CKCSC, USA, or CKCSC regional championship show, to abide by these rules and the CKCSC, USA, Procedures for Registration & Transfer of Dogs, and further agrees and understands that no form of recourse other than what is stated herein is available.
4. Only paid-up members in good standing with the CKCSC, USA, and CKCSC regional clubs may enter their dogs.
5. No owner who has any unpaid CKCSC, USA, or CKCSC regional club accounts on the closing date of a given show shall enter a dog at that show. Any trophy not returned by the day of the show for which it is awarded is considered an automatic indebtedness and the owner may not show any dogs until the trophy is returned to the offering club.
6. If a dog is co-owned, at least one owner must be a member in good standing. The co-owner must also be in good standing, whether s/he is a member or not.
7. Owners living within the region of the show-giving club must be members of that regional club in order to enter their dogs.
8. Owners are responsible for errors on their entry forms.
9. No dog may be entered in more than one Official Conformation Class.
10. No dog may be entered under a judge by whom it was bred or to whom it has belonged.
11. If a dog is co-owned, although only one owner need sign the entry form, both co-owners must be in agreement as to when and in which class(es) the dog is to be entered. If one co-owner files a protest against the other for entering the dog, and the protest is upheld (see Section V), all wins at that show will be disallowed.
12. No entries may be changed or withdrawn after the closing date except in the case of an in-season bitch (see Section I, Rule 20) or registration restriction for DNA reasons.
13. If a Cavalier is entered by the owner in a class for which it is not eligible, it must be withdrawn from that class and can be shown in the Open Class. If a Cavalier fails to appear in the Official Conformation Class in which it is entered, it cannot be exhibited in any other Official Conformation Class on that day.
14. If a dog is withdrawn after the closing date, misses its class or is excused, no refund of entry fee shall be made except in the case of an in-season bitch (see Section I, Rule 20) or registration restriction for DNA reasons.
15. The term "immediate family" shall comprise a member of the household, spouse, parent, child, sibling, grandchild and the aforementioned relationships if in-laws or step-relations.
16. In order to exhibit, a person must be a member in good standing of the CKCSC, USA. Members of that person's immediate family may also exhibit dogs in that Member's ownership, whether or not they are members, as long as they are in good standing with the CKCSC, USA. While the CKCSC, USA strongly encourages the handling of entries by their owners, or by members of their owners' immediate families, the handling of one Member's dog by another Member or that Member's immediate family is allowed as a courtesy by the CKCSC, USA and consequently by the Show Rules Committee of any Show-giving Club. However, the privilege of handling a dog for a member may be revoked for cause at the discretion of the Show Rules Committee.
17. No person who has, within the two years prior to the date of any given show, accepted any form of compensation, monetary or other, for training or handling any dog, will be permitted to handle a dog in conformation classes at a CKCSC, USA, or CKCSC regional championship show unless s/he is the registered owner of the dog or a member of the registered owner's immediate family. Placing a dog in co-ownership may be construed as a violation of this rule unless there is evidence that the co-ownership is bona fide and was not established for the purpose of engaging the services of the second owner as a handler.
18. Owners or Exhibitors must not participate in double handling with anyone exhibiting in the show ring or with anyone outside or inside the ring. Double handling is defined as standing or sitting ringside and acting in a manner to attract the dog's attention using any subtle or overt means so that the dog shows and handles better than the dog would if exhibited in the accepted manner. Owners or Exhibitors having their dog exhibited by someone else must not take any action, such as moving around the outside of the ring or making any sound, to get the dog's attention to give it an advantage over the other dogs in the ring. Owners or Exhibitors may not place anyone outside the ring to take any action to get the dog's attention while they are exhibiting in the ring. Anyone witnessing double handling should notify the Ring Steward, who will immediately notify the Judge to cease judging until the double handling has stopped. The Ring Steward must advise the participants involved that their actions are perceived as double handling and to cease them immediately. If it persists, the Judge must excuse the dog, exhibitor, and collaborator from the ring for the rest of the day. Any other dogs entered by the exhibitor or collaborator may still be shown, but not by that exhibitor or collaborator. If the collaborator does not have an entry in the show or the exhibit is no longer in competition, they will be subject to a monetary penalty. Any such incident must be reported immediately to the
