

The 2016 CKCSC National – October 13-16, 2016 – is fast approaching. The CKCSC is rolling out a new online sponsorship page that makes it simple for everyone to make this year's National a show to remember.

Simply open the following URL: <http://www.signupgenius.com/go/9040e44a4af2ca75-2016>

Click on "Sign Up" for as many classes/awards/events you wish to sponsor, and then "Submit" at the bottom of the page and you will be taken to PayPal where you can make a secure payment.

Help support our 2016 National Specialty weekend by sponsoring classes, awards or events. Please provide your name and kennel name in the Comments section, and you can include a dedication or "In memory of" statement for a dog or person who has passed on, which will be included in the show catalog.

Please Note: September 15th deadline for catalog mention!

We will continue to accept sponsorships after that date but September 15 is the last date that we can assure your sponsorship will be credited in the specialty catalog!
